

FIG. 2. Distribution of *Aristolochia kaempferi* var. *kaempferi* (open circles), *A. kaempferi* var. *laevipes* (black circles), and *A. tanzawana* (gray squares) in and around the Ise-Shima region and Kii Peninsula (Mie and Nara Prefectures) as well as in the Owari region (Aichi Prefecture). Cross marks indicate plants that are probably *A. kaempferi* but whose flowers were not seen.
